Seniors Of Cordelia Street Meet

By: Wanda Sasser

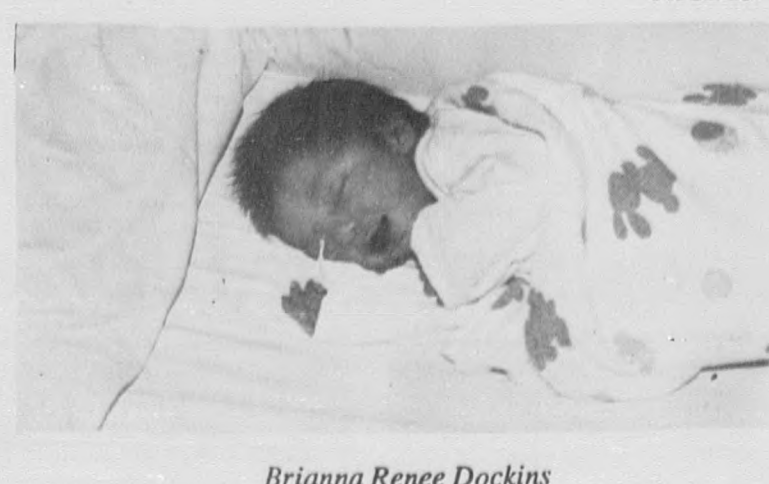

It was an no ordinary day when the Senior Citizens of Cordelia Street met for their weekly meeting on November 9.

Some of the Seniors met at the center on Simmons Street at the HRDC Center and we went on a SEATS bus to the home of Lennie and Frank McCollough at Victoria to celebrate Lennie's birthday.

It was a beautiful day and was all enjoyed being at their home once again. Several of the members

walked around and we went out and looked at the new Victoria Church being constructed near their home. We also sat on the porch and visited.

A delicious birthday lunch was served to the following: Frank and Lennie McCollough, Myrl Burkett, Helen McCahan, Mattie Lou Goodson, Iris McDowell, Zeddie Bouyer, Minnie Davis, Jenny Hussey, Frances Shaboo, Christine Baker (Lennie's daughter), Ailene Sheets (Lennie's daughter), M. Boling and Wanda Sasser.

MAYOR FRED MOORE PROCLAIMS NOV. 26TH - DEC. 2ND NATIONAL HEALTH CARE WEEK. Joining the Mayor as he signs the Proclamation are Pat Malkoff, Nursing Supervisor, and Fay Smith, Personal Care Co-ordinator. Both ladies are with the Coffee County Health Department.

Healthcare Information

The Alabama Hospital Association and the Alabama Health Campaign want you to know some important information should you need to go to a hospital emergency room.

Hospitals are required by law to screen all persons who enter their emergency rooms to determine if a medical emergency exists, or if the person is in active labor. This must be done before a patient can be considered for transfer to another hospital.

You should also know that the hospital emergency rooms are there for true medical emergencies. Routine treatments should be handled by your physician or local health department.

If you should ever have questions concerning hospital emergency services, call your local hospital.

For more information contact the Alabama Hospital Association, Public Relations at 272-4878.

STOLEN CAR RECOVERED. New Brockton Police found a 1966 blue Chevrolet Caprice abandoned in a clay pit in their city Thursday. The tires and wheels had been removed from the vehicle. After entering the vehicle identification number into NCIC, it was discovered that the car had been reported stolen in Elba on Saturday, November 11. Shortly after being notified of the discovery, Elba Police arrested William Earl Hardy, age 23, of New Brockton and charged him with theft of property-1st degree. All property was recovered.

Home health care is at work in the Elba area

cines, diets, and changing dressings.

The home health care nurse also works with the Margaret Mary Hospice Organization for the terminally ill patient.

Home health care continues to grow and help minimize the cost of medical services to the patient and to avoid unnecessary hospital stays. As Medicare has shortened their hospital stays, this type of care is becoming more and more important. It helps the patient to become independent and allows the family to learn how to care for him or her.

There is evidence that home care helps to promote a full and faster recovery time for the patient and also is proving to be cost effective. Home health care is available 24 hours a day - 365 days a year. Call your Coffee County Health Department for more information concerning this program. The phone numbers are: 897-2523 in Elba and 347-9574 in Enterprise.

Driving directions to Vernon, Al

Elba folks driving to Vernon Friday for the Elba-Lamar County football game might want to check a road map and with people who are familiar with the highways in the area.

Vernon is a community of slightly over 2600 people. This newspaper has had telephone contact with school officials and community business people. All have been very cooperative and offered any help they could give to the fans traveling to the ballgame Friday night.

This newspaper has received advice from residents of the area on some roads being better than others.

The first recommendation we give is from the "natives". They tell us that after getting to Tuscaloosa, they would take Highway 82 West to Gordo and turn North (right) on Highway 17. There is a four mile "dogleg" using this route, but area residents warn against using the road that eliminates this short misdirection.

Highway 17 goes right through Vernon. Motorists can get to the stadium very easily, according to area residents. If coming into town on Highway 17 from the South, turn left on Highway 18 at the first traffic signal (right at the school). Drive two or three blocks (past a small shopping area) and turn right (turning left gets you to the hospital). The stadium is "just up the hill".

Others have suggested a different route out of Tuscaloosa, going through Fayette. This is taking U.S. 43 North to Fayette and then traveling Highway 18 to Vernon. Taking this route, you would not turn at that traffic light, but would continue on past the shopping center and take the right turn to the stadium. The choice is yours.

INSPECTION VERIFIES SAFE CONDITIONS Drivers question safety of Elba school buses

The Elba City School Board held a "hot potato" last week when a group of school bus drivers presented the board with a typewritten statement charging, among other things, that the school buses were unsafe.

Superintendent Lamar Foley called state officials the following day and a special safety inspection was conducted on all buses within the next few days. All passed, with the only problems being lights out on spare buses and these items are on the check list for bus drivers before leaving the bus lot.

This newspaper reviewed the official report of the inspection and found no problems except some clearance lights not burning.

A two page, single spaced statement given to board members at the meeting complained that the drivers had tried to talk with Mr. Lamar Wilson, who is in charge of school student transportation for the Elba school system, about safety measures in school traffic, that is, loading and unloading places, traffic problems on the school grounds, substitute drivers, and maintenance of the buses. They also wrote and stated to the board that "Wilson says that if we don't like the way he runs things to resign."

The statement in its entirety is reprinted here.

Before you to make known our grievances, concerning bus drivers in the Elba City School system.

Each of us, at one time or another, have tried to talk with Mr. Wilson about safety measures in school traffic, that is, loading and unloading places, traffic problems on the school grounds, substitute drivers, and for all bus drivers. Mr. Wilson says that if we don't like the way he runs things to resign. He cannot hear us reaching out to him; but, rather develops an austere attitude to hardline us, instead.

There seems to be no resolution to the bus drivers' problems. When we were hired, Mr. Wilson briefed us pertinent to bus drivers requirements. We were told that we were expected to drive on out of town trips as well as on assigned bus routes. Until last year substitute drivers did not, normally, drive for out of town trips.

We do not think it's fair to show partiality or favoritism among bus drivers. For instance, one bus driver made only 6 out of town trips last year; where as, on substitute driver made more out of town trips than that, and the rest of us did, also.

We do not think it's fair for substitute drivers to drive on out of town trips, when bus drivers are available. All contracts for school personnel are, basically, the same. Teachers do not have substitutes when the teacher are available. Lunch room workers do not have substitutes for extra cooking or serving when the regular personnel are available. Men bus drivers, who drive to football games, do not

have substitute drivers when these men are available. Women bus drivers do not always drive on out of town trips; when these women bus drivers are available. The buses, assigned to these women to drive on school bus routes, are being re-assigned to substitutes, or Mr. Wilson, to drive on out of town trips. We invite your attention to the trip sheets and check stubs to support these facts.

Now, Mr. Wilson says that we have to get his (Mr. Wilson's) permission to talk to Mr. Foley. Later, Mr. Foley did override that order. When we requested an audience for four bus drivers to discuss some prevalent problems, Mr. Foley called a group meeting last May and told these present that if we did not like the way Mr. Wilson was running things to resign. We do not think that his remarks were fair or rational to bus drivers with tenure. He did tell us to put our complaints in writing and give them to him. We have done that.

Bus repair is not prompt upon notification for the older buses. Examination of monthly driver's reports will verify this statement. When stand-in buses are used on bus routes in place of new buses, they are not up to par for safe operation and handling as prescribed by state law. Bus No. 2 has steering problems and is underpowered for impending schedules. We know that a \$250.00 tire can stand still until it is flat sided, but the steering problems are not all just flat sided tires. A test drive will support this claim.

We have the lives and safety of students at our hand. We would like to propose that we have a definite place to contact Mr. Wilson by telephone from the time the bus routes begin until the time all bus routes end.

It is our request that this school board assure us that there will be no intimidation or repercussions later due to our presentation of these grievances. We do not want our jobs to be threatened or told to resign; in as much as, we are tenured bus drivers.

The statement was signed by Doris Mallory, Dixie Davis, Mavis Burch, Vera Nell Bragg and L. C. Cook.

One of the signers, L. C. Cook, said his only concern was the safety conditions on the school grounds. The drivers told the board members they had also met with Mr. Foley on the matter but didn't feel they were getting any results.

After about an hour of discussion the board members pointed out to the drivers that they had delivered some very serious charges against the system, challenging the everyday safety of the children in school. They pointed out that none of the board members were bus mechanics and relied on the man (Wilson) and Superintendent Foley to keep things running prop-

erly. However they acknowledged that such strong charges couldn't be ignored and would be looked into. Concerning the complaint that some drivers were not being given their fair share of trips, it was suggested by board members that a roster be set up and that ALL TRIPS be assigned from that list. If a driver turned down a trip, their name would go to the bottom of the list.

The female drivers in the group pointed out that some athletic trips were better suited for male drivers. Board members expressed the opinion that if a roster was used, there should be no exceptions and every trip assigned from the roster. This was to be worked out within the system and a report made back to the board.

Safety on the school grounds covered several areas, but mainly they centered around the tight traffic in the mornings and afternoons when the automobiles are mixed in with the buses loading and unloading students. The drivers asked that this be changed.

Foley acknowledged there had been some problems but it was awful hard to make permanent corrections.

In other action the board members approved a set of plans to build a handicap ramp at the front of the Elba High School building. The only cost to the school board will be the price of the materials. Labor will be furnished.

Foley gave a report on the results of the Alabama High School Graduation Examination and stated he was well pleased with the number of students passing.

Foley also told board members of the number of computers in the schools and how they were being utilized.

The next meeting of the board will be on December 7.

All you fishermen (and women) need to know that the folks at Dead Lakes Florida are planning to construct a new concrete boat ramp right down into the deep-water channel. A news release from the Florida Department of Natural Resources last week indicated that construction should be completed within 60 days. We don't fish there, but a lot of folks consider Dead Lakes fishing heaven.

Heddy and I have a son in the U. S. Army. He has been in almost a year now. Last spring Uncle Sam sent him to West Germany to join a missile unit. All those recruiting reports indicated he would soon be controlling the atomic warheads around the world, however we think he is doing it from the drivers seat of a five ton truck used to set up those things in practice. Anyway a friend noted last week that he had been in Germany only about six months and already they were tearing down the Berlin wall!

We recall our years with the military in Europe and that wall they erected all along the border. We would be flying border patrol in one of those little of helicopters, look across the fence at the guard towers and there would be a soldier with a machine gun aimed right at us. It would be amusing when all you saw was a guard looking back at you with his binoculars. It was those machine guns that make the hair on the back of your neck stand up. Now maybe all that is gone forever.

Well cold weather has finally arrived and we think it is here to stay a while this time around. It was kinda hard to walk around in short sleeve shirts last Wednesday and believe weather forecasters predicting a freeze for Thursday night, but they were right.

Our comments two weeks ago about city crews hauling dirt onto private property brought out another batch of questions from a resident who had observed the dumping on North Morrow Street. We followed up with a visit to the area with Mayor Fred Moore. We repeat, the dirt was in response to drainage water being channeled onto private property and in attempts to correct a problem. Pipe had been installed in the area by the previous administration, but not buried, reportedly due to excessive wetness. Recently the city crews were hauling dirt to cover the drain pipe. Also a load was dumped in a driveway (on the city right-of-way) to insure the water went into the prepared drain and not down into the yard of the homeowner. We find nothing illegal about this and in fact feel it is government's responsibility to correct damage done to private property due to actions of the government. . . . such as channeling drainage water onto property. We hope you understand and agree.

Hey football fans - the "Elbowe Tigers" are hanging in there! The win last Friday night over Luverne was decisive and a whole bunch of us sighed a sigh of relief when it was over, because we know Luverne's ability and the physical abilities of Coach Daniels. Now it is on to Lamar County (Vernon) this Friday. We will see you there folks.

In Oregon there are a couple of Indians, members of a church called the *Native American Church* who claim their freedom of religion to take certain drugs which are part of their religious ritual. They have gone to the Supreme Court with the matter. The case is further confused because they are reforming alcoholics and were hired by the church itself after agreeing to never touch drugs or alcohol. That was until they got fired for using. We won't try to report all the details of this particular case but will sound an alarm. If these two get freedom of religion to take drugs we expect drug users around the country to form "churches" with ingestion of particular drugs as part of their ritual and there goes any hope of drug control.

SouthTrust Listed in Top 12 Companies

SouthTrust Corporation was listed among the top 12 companies in the country which were named in the October 31 issue of *The Wall Street Journal*, as having the highest-yielding stocks whose average annual dividend growth rate over the past 10 years has been at least 10 percent.

Other criteria for selection to the list included "latest 12-month earnings exceed annual dividend, and long-term debt less than equity," according to the information printed above the table.

We are extremely proud of our record of dividend growth which includes 19 consecutive years of dividend increases, said Wallace D. Malone, Jr., chairman of the chief executive officer of SouthTrust Corporation.

Sources for the table were Standard & Poor's Compustat PC Plus and IDD Information Services/TradeLine.

SouthTrust Corporation, a \$7.4 billion regional multibank holding company, has a strong southeastern presence with 40 banks and 215 offices in Alabama, Florida, Georgia, South Carolina and Tennessee.

Mrs. Nell Harvison, Special Projects chairman of The Twentieth Century Study Club is shown presenting a check to Mrs. Lorene Bryan Administrative Assistant at The Elba Nursing Home, for \$100.00 to be used to help with the purchasing of Christmas gifts for the residents of The Elba Nursing Home. The club chose this as their special project for the year.

Twentieth Century Study Club Meets

The Twentieth Century Study Club's November meeting was held in the Community Room at South Trust Bank, Thursday November 9, at 7:00 p.m.

Hostesses for this occasion were Mrs. Jane Hudson and Mrs. Elaine Thompson.

A delicious dessert plate consisting of Pound Cake topped with strawberries and whipped cream, nuts and coffee was served.

The club had as their guest speaker Mrs. Evelyn Reeves. Mrs. Reeves gave a delightful demonstration on how to create a personalized shirt with your favorite design. When she finished all the club members' names were put in a bag and a drawing was held. Ann Tucker was the winner and she received the shirt Mrs. Reeves designed.

A short business session was held. The club voted as their special project for the year to give a donation to The Elba Nursing Home to help with Christmas gifts for the residents. The club also decided to have a booth at the Christmas Festival with each member furnishing a baked item for selling.

Members present were: Mrs. Betty Brunson, Mrs. Nell Harvison, Mrs. Jane Hudson, Mrs. Debra Samuel, Mrs. Peggy Stroud, Mrs. Elaine Thompson, Mrs. Ann Tucker, Mrs. Grace Taylor, Mrs. Ella Jean Vaughan, Mrs. Patsy Williams, Mrs. Mary Young and Mrs. Fern Cox.

One visitor was present - Mrs. Olene Farrell a sister-in-law & guest of Grace Taylor's.

Seniors Of Cordelia Street Meet

By: Wanda Sasser

What a beautifully decorated house for the Senior Citizens of Cordelia Street when they met for their weekly meeting on November 17 at the HRDC Building on Simmons Street.

This was our Thanksgiving Day luncheon, as the HRDC will be closed on the actual day.

Some of our members were on the sick list and we sure thought of them and missed them.

We had some lovely piano music after lunch by Sandra Watson, which we enjoyed very much, and also, a sing-a-long later. We also had some local celebrities with us for lunch.

There was much exchanging of news and talk of the bad weather and the cold weather, which is coming in, also there was discussion about Elba Day.

Those attending were:

Myrl Burkett, Odell Reeves, Robert Stephens, Dixie Mae Maddox, Mattie Lou Goodson, Zedie Bouyer, Pearl Thomaston, Thelma Dugan, Bonnie Wesley, Frances Shaboo, Frank and Lennie McCollough, Jean Mauldin, Arnold Amenda, Texie Farris, Iris McDowell, Allen Blackmon, Aileen English, Judge Marion Brunson, Matt Grey, Fred and Jean Moore, Sarah Smith, Carol Roberts, Foye Garcia, Pat Fuller, Cindy Joe Lee, Sandra Watson, Jean Paul, Helen McCahan, Rushie Blanton, Aileen Sheets, Cora McBride, Maxine Florence, M. Boling, and Wanda Sasser.

TSUD To Offer Preparation For The ACT Test

In order to better prepare students to take and do well on the revised version of the ACT assessment, Troy State University at Dothan will offer the "Enhanced ACT Preparation Seminar", Tuesdays and Thursdays, November 28, 30, December 5, and 7, 5:30 - 7:30 p.m. Deadline for registration is November 22.

This seminar will provide in-depth information on the Enhanced ACT assessment. Participants will learn strategies for taking the Enhanced ACT and what to expect on test day. In addition, participants will review content and take sample tests from each of four content areas included in the test. Participants will have the opportunity to grade sample tests and interpret test results.

Students may enroll by mail, in room M-8 or M-2 of Houston Hall, at the TSUD Information Booth in Wiregrass Commons Mall, and at the TSUD Fort Rucker branch campus. Registration may also be completed by calling (205) 792-TSUD, ext. 212 or 227.

Mike Mitchell Is The Guest Speaker At The Elba Study Club

The ladies of the Elba Study Club welcomed Mike Mitchell, Assistant Director of Travel and Tourism to their November meeting. Mike had met the Club last spring when he was their guide in Montgomery and it was nice seeing him in Elba.

Mike gave an exciting talk on Alabama - The best kept secret, which is the tourism industry for our state. He started at the top of the state and covered all the places to see and things to do while traveling through the state.

During the business portion of the meeting, new copies of the By-laws were passed out to all members and the club voted to send a check to help pay for one of the Elba Welcome Signs.

Those attending the meeting were: Mrs. M. O. Bruckner, Mrs. Edlow Bryan, Mrs. Edwin Cooper, Mrs. Oswald Dowling, Mrs. Richard Hobson, Mrs. Durrell Hudson, Mrs. W. E. Kelley, Mrs. John I. Jones, Mrs. P. J. Oriley, Mrs. P. H. Sellers, Mrs. Melvin Senn, Mrs. W. H. Taylor.

Mrs. Senn and Mrs. Hobson were the hostesses.

At the close of the meeting, all members received the blind-made goods they had purchased and the group closed with the reading of the Collect.

Mr. & Mrs. Turner

Turner - Lee Wedding

Tamara Scarlett Lee and Danny Ray Turner were united in marriage September 29 at 6:30 in the evening at Hebron Baptist Church in Wilkinstown community in Coffee County. The Rev. Kenneth Chancellor of Albany, Georgia officiated the double ring ceremony.

The bride is the daughter of Mr. and Mrs. William D. Lee. The groom is the son of Mr. and Mrs. Cally Turner.

Pianist Anita Longworth and vocalists Keli Longworth of Enterprise and Cpl. William S. Lee of Twenty-Nine Palms, CA, brothers of the bride, provided the music for the ceremony. The background of the altar featured two branched and one arched candelabras and was flanked by Boston ferns, compliments of Mr. and Mrs. A. D. Ryals and Mrs. Rex Lowery. A large arrangement of mixed flowers in shades of purple and lavender were the featured centerpiece.

Escorted to the altar by her father, the bride wore a floor length gown of soft candlelight crystal organza. The high-necked satin fitted bodice, which buttoned down the back with satin covered buttons and had a large bow on the bustle, was embroidered with pearls and featured a basque center point at the waist topped a full, gathered skirt edged in several ruffles flowing into a cathedral train. The oversized, short sleeves were layers of crystal organza. An elbow-length veil of tulle fell from a headband of pearls, forget-me-nots, and apple blossoms. She carried a bouquet of ivory roses and stephanotis inset with five lavender roses.

Connie Church of Phoenix, AZ., served as maid of honor. Lia Jones of Enterprise, cousin of the bride, Lee Ellis of Troy, and Deborah Turner of Ashford, sister-in-law of the groom, were bridesmaids. They wore dresses of waltz-length purple satin, featuring cascading back ruffles. Each carried an ivory, single-stemmed magnolia, tied with a lavender lace ribbon.

Edwin Turner of Ashford, brother of the groom, served as best man. Groomsman were, Cpl. William S. Lee, Wyman McWaters of Troy, and Steven Hutto of Banks. Flower girls, Ashlyn and Amelia Jones, of Enterprise, wore identical lavender satin gowns fashioned after the bridesmaids' and each carried a basket of violets. Their brother Aaron Jones was ringbearer. He wore a black tux with purple cummerbund identical to the groomsman.

The bride's mother was attired in a dress of dusty rose georgette, and the groom's mother wore a gown of silver and blue chiffon.

Class Of '90 Expresses Thanks

By: Katie Rushing

It's once again Thanksgiving, a time for turkey, cranberry sauce, and football games. But there's a little more to it. We, as the Elba High School class of 1990, took a few moments to think about all we have. If the Pilgrims of Plymouth who lost almost half of their population, nearly starved, froze, or killed by savages, saw a purpose to have faith and be thankful, we in 1989 with all we have, should definitely be thankful.

So here is a listing of the things we are thankful for. Some were a little more serious than others, but this is how we really feel.

Leigh Ann Jones - I'm thankful for my friends that stand beside me in whatever I do. They believe in me for what I am and don't try to change me. I'm thankful for my cousin, Amy, moving here so we could spend our senior year together. I'm thankful for my grandparents and parents that care. I am also thankful that one of my closest friends found Christ and that he lives in his heart.

Willie Flowers - I'm thankful for being here today, for my mama, Louise Jackson, and family. I'm thankful for life and everything that goes with it. Especially thankful for the many updates and for all the people who have helped me throughout my life. Peace, I'm out here.

Charlie Johnson - I'm thankful for substitute teachers, weekends, and holidays.

Sylvia Richards - I'm thankful for my family, my friends, food, and to be alive.

Christina Bradshaw - Sometimes it's hard to find things that are thankful for, especially when things aren't going your way. I'm thankful for my close friends who are there for me when I need them most. I'm thankful for my parents who always know what is best for me. I'm especially thankful for the opportunities that this senior year offered me.

Mike Manning - I'm thankful for my family and friends & that this is my last year.

Heather Macon - I'm thankful that I am a senior at EHS, for a good job at NASCO Equipment Co., for my Grandmother Bragg, for my good friends at school and at work, and I am thankful for the great state of Alabama.

Delisa Mitchell - I am thankful to have a Mom and Dad & friends who care, to be a senior in the Class of 1990 and that Jesus Christ died for me. I'm thankful for Dwayne Bowman and for a good job.

Chris Armstrong - I'm thankful that this is my last year of school, for my family, my friends, and for the opportunity that this senior year of having to put up with Rob. I'm also thankful for my family and friends.

Ryder McCollough - I'm thankful for my close group of friends, who are like a family and I need them very much. I'm thankful for how my Mother raised me. Without it I wouldn't be the person I am. She taught me to work for what you want and not to ask for more than you will give. I'm thankful for my job. It has taught me to appreciate a lot of things that were taken for granted. I'm thankful for my girlfriend, Chastity, who brightens my darkest days and supports me in my lowest moments. I'm thankful to God for my health, mind and ability. I hope to use them to help others or please them in some way.

Spencer Ziglar - I'm thankful for a toilet that flushes down instead of up and for girls and a bunch more things.

Cynthia White - What I am thankful for - my family, friends, life, and that I'm leaving this school in 5 1/2 months.

Reg Campbell - I am thankful for great teachers through the years, for having great parents and grandparents, for making good grades in school, for holidays and other special days for being out of school.

Michael Walden - I am thankful for the food we eat, weekends, holidays, the money I spend, the clothes I wear, Jamie Whitworth, I'm thankful for substitute teachers, Fridays, and Auburn football.

Chad Tindall - I am thankful for family, friends, country music, and Chevrolets.

Bridgett Rodgers - I'm thankful for Jesus, my family, my life and strength, my boyfriend and friends.

Rachelle Boothe - I'm thankful for my parents, my friends, making this year my last, and for having the most terrific time since this is my senior year.

Stacey Ward - I am thankful for God, my new car, weekends, holidays and Jason.

Danielle Kirkland - I am thankful for weekends, malls, friends and family.

Ashion Smith - I am thankful for being a senior, clothes, food, house and automobile.

Millie Lott - I am thankful for friends that I can rely on, the Corolla that is amazingly still on the road, and this is six months till graduation.

Jason Calvin - I am thankful for not having any D.U.I.s, not being in jail, passing school and for just being alive.

Kristy Hane - I am thankful for my family and friends, most time, finally being a senior at EHS, and my paycheck.

Kirby Lawford - I am thankful for all my friends, family, the country I live in, and that this is my last year in high school.

Kathy Fuller - I am thankful for my family, free country, and good friends in the Class of 1990.

Christy Smith - I thank God for all that He loves me, I thank Him for the most wonderful parents in the whole wide world, and for Jay Johnson.

Joe Brooks - I am thankful that it's my last year in high school, Saturday nights with CDB, a successful year in football, a great set of parents and my wild and crazy friends.

Michelle Jackson - I am thankful for my husband, job and family.

Tammy Hodge - I am thankful for my family, friends and to be a senior in the Class of 1990.

Chris Thomas - I am thankful for Saturday nights, listening to "Tank", Mother and Daddy, my ability to play baseball, my rowdy friends and that this is my last year in high school.

Reggie Horstead - I am thankful for Saturday nights with my rowdy friends, a healthy year of football, CDB, my parents, my friends, making this year my last, and for having the most terrific time since this is my senior year.

Sheila Nelson - I am thankful for my family, friends, my last year at EHS,

food we are blessed with, job at Dorsey Trailers, and a paycheck every Friday.

Keith "Hendo" Henderson - I am thankful for my family, my friends, my health throughout football season, last year so long in the playoffs, my wonderful girlfriend, Miss Niquisha Macia Jones, and the fact that I am a senior.

Quiss Jones - I'm thankful for being alive, and for having the best boyfriend in the world - Bryant Keith Henderson, and most of all for having the most caring Mother there ever could be.

Mona Kelley - I am thankful for my family, friends, food, home, being a senior, and Casey and Mark finally getting a house.

Fabiola Torres - I am thankful for the opportunity to come to Elba, Alabama.

Regina Free - I'm thankful for my family, this being my senior year, friends, Thanksgiving and Christmas, but most of all not getting killed in mine and Heather's wreck.

Bobbie Layton - I'm thankful for my Father's and Mother's support, my job and my great boss, my new baby brother or sister that's on the way and that I'm a senior.

Yayanna Smith - First of all I'm thankful for God's grace, my life, health, strength, my parents are all the things I have. I'm also thankful this is my last year and for Friday and Saturday nights and my crazy friends and family.

VIEWS FROM

THE PRESSBOX

BY RICKY MULARZ

The high school football playoffs always create an air of excitement and while that is true again this year as the Elba Tigers march toward a possible state championship, I was amused last week when a teacher at Elba High jokingly complained that this year the playoffs had failed to get them out of work. It seems that the trip to Sylas came on a school holiday and that this week's trip will fall during the Thanksgiving holiday, meaning that the school didn't have to close for either of the trips. Keep your fingers crossed that the Tigers win this week, because if they do we'll all have to shut down the next week when the Tigers go for the gold!

ELBA TIGERS PROVE THAT FIRST WIN WAS NO FLUKE!

The talk up in Luverne ever since Elba's 27-0 win over Luverne in the third week of the season was that the early season game was a fluke and that if the two met again the outcome would be totally different. Well, Friday night the age-old rivals met again in the third round of the playoffs and while the score was a little different, the outcome was the same, as Elba dominated action from start to finish to post an impressive 22-0 win. Sorry friends, neither win was a fluke!

Elba got in trouble early in the game Friday night when Luverne scooped up a missed field-goal and drove inside the Tiger one-yardline, but looking back, the big hit at the goal line and the fumble that stopped the threat may have very well been the turning point in the game. The fumble killed Luverne's hopes of grabbing an early lead, fired up the Elba players and at the same time let everyone know that the Tigers had come to play and weren't about to go down without a fight. The turnover was simply the beginning of the end for Luverne and set the stage for one of Elba's biggest payoff wins.

The Elba offense moved the ball up and down the field in the opening three quarters and while the scoreboard wasn't exactly blowing any bulbs, the Tigers' running game was taking charge as Reggie Horstead and Anthony Brooks took turns butting heads against the Luverne defense and more times than not, coming out on top. Horstead had some big runs that sparked drives and Brooks had a couple of runs in which he delivered about as much punishment as he took. The Tigers' 1-2 punch at running back is becoming a deadly combination and is getting better and better every week.

Over on defense, the Tigers took charge at the start when they turned Luverne back at the goal line and never let up as they completely flattened the potent Luverne attack. Luverne had the football for a total of nine series and at no time did it ever make more than one first down on any of the possessions. The visitors managed only 28 yards of offense in the first half and had only 29 in the second half until late when they managed a 17 yard run against the Elba reserves. Luverne gained only 74 total yards of offense the entire game, despite never having to start a drive inside its own 40 yardline the entire first half. The domination was complete and impressive, to say the least, and Tigers having big nights included Jackie Stoudemire, who has to be All-State, Shane Blanton, Ronald McKinnon and Ronnie Edwards, who's desire saved a touchdown and possibly turned the game around.

The Tigers began to fizzle late in the regular season and I for one was afraid that they had already peaked prior to the beginning of the playoffs. However, after watching Elba dominate three playoff opponents to the tune of 92-7 and showing improvement every week, I just can't help but believe that the best is yet to come!

QUARTERFINAL ROUND OF PLAYOFFS CAUSE STIR

The third round of the playoffs are always exciting, because by the third round some of the teams who snuck in have been eliminated and it's time to get down to business. Here is a quick look back at week #3.

CLASS 6A - The rematch between Vigor and Murphy wasn't as close as everyone thought, as the unbeaten Panthers clubbed the two-time state champs 17-7. Murphy is loaded on both sides of the ball and has perhaps the top defense to be seen, so, Mobile could keep the title down south.

CLASS 5A - Smiths Station made the most of its rematch with Eufula as it claimed a 14-6 win and advanced to the fourth round. Smiths Station has had better teams, but this year their fans are convinced that it is their turn to finally win it all.

CLASS 4A - Pike County has its sights set on another state championship and the Bulldogs are well on their way after drilling T.R. Miller 28-17. The Bulldogs had some off the field distractions in midseason, but have drawn closer as a team and are on a roll.

CLASS 3A - Lineville's Cinderella story came to an end when it got whipped by Lamar County 42-22. Lineville had won two straight overtime games in the playoffs after sneaking into the playoffs with a 2-8 record, but the clock struck midnight. Oh well, it had to have been fun while it lasted.

CLASS 2A - Okay Murray, the Georgiana Panthers are for real! Georgiana continued to be the surprise team in the 2A ranks as it shocked Sweet Water 21-13 and is now only one game away from a state title contest. The Panthers have impressed every team they've played and aren't ready to call it quits.

CLASS 1A - Excel has been a dominant team in south Alabama for a number of years, but never seemed to be able to get past the second round. Well, this year Excel blasted Coffee Springs 48-0 in the second round to bury the jinx and last week upset McKenzie 13-7 to make it to the semifinals. Another Cinderella story?

BASKETBALL SEASON APPEARS TO BE EXCITING LOCALLY

The high school basketball is now underway across the state and here in Coffee County it looks like another exciting season for all three county schools. Here's a quick preview of what to expect...

ZION CHAPEL came back down to earth Friday night with a loss to Brantley, but the Rebels are for real and could be headed for their best season in years. The Rebs start five seniors who have been with Coach Tom Walker for two years and finally seem to have the confidence that has been missing. Keep an eye on the Rebels and remember who told you!

KINSTON opened the season with two very impressive wins and may be headed for another successful season under Coach Terry Weeks. The Bulldogs have one of the state's top players in Brandy Nobles, a legitimate big man in 6'7" Robert Laramore and a lot of excitement and tradition. The combination may very well cook up a bunch of wins.

NEW BROCKTON has yet to start the season, but the Gamecocks have some talented players coming back and will once again be one of the top teams around under the guidance of Coach Bobby Kincaid. Look for the Gamecocks to start off slow and then pick up steam as tourney time draws near.

MORE POLISH PLAYOFF PICKINS...POSITIVELY

Ye old Polish Prognosticator stumbled a bit in the third round of the playoffs as he hit on 9 of 12, leaving him with a 289-65 mark for the year. The pickings get tough as the playoffs near an end; however, the guesspost was confident when he came in the office the week and here's what he left...

ELBA VS. LAMAR COUNTY

The Tigers won their Area 3 contests by a combined score of 127-6 and since the playoffs have started have drilled their opponents by a score of 92-7. That's a score of 219-13 against teams the Tigers have to play! This week the Tigers will have their hands full up in Lamar County, but they are playing too well and are too close to their goal to let it slip away now!

Elba Tigers take 3A title hopes on the road for Friday night semifinal battle with Lamar County Bulldogs

The Elba Tigers will take their hopes of a state football championship on the road Friday night when they travel to Vernon to battle the high-scoring Lamar County Bulldogs, in the semifinals of the Class 3A playoffs.

Lamar County, coached by Kenneth McKinney, made it to the semifinals in both 1986 and 1988, but lost both times and will be hoping that the third time will be the charm.

The Bulldogs will carry a 10-3 record into the matchup with the Tigers, having claimed wins over Hamilton 36-0, Winfield 62-0, Aliceville 60-20, Dethier 14-13, Brookwood 32-0, Pickens County 42-6, South Lamar, Keith 49-7, Chelsea 43-13 and Lineville 42-22, while losing to Fayette County 14-6, Hazlewood 15-12 and Sulligent 26-13.

"Lamar County has an outstanding football team and I can assure

you that they will be just as fired up as we are about being in the semifinals of the playoffs," stated Elba's Coach Mack Wood. "They averaged close to 40 points a game during the regular season and in the playoffs have averaged over 44 points a game. So, you can tell pretty quick that they have an outstanding football team and deserve to be where they are."

"Lamar County runs a variety of sets on offense and defense and

will do just about anything you've ever seen," said Wood. "They like to run with two tight-ends on offense and are really a wide open bunch. They like to throw the ball, run misdirection and throw everything at you they can. Lamar County has excellent speed and quickness and is always a threat to break the big play. Over on defense they give you a lot of different looks and blitz and stunt on just about every play. They are real quick and aggressive on defense and play hard."

"For us to win Friday night we'll have to line up and be physical on both sides of the ball," stated Wood. "We will have to establish our running game and also mix in the pass to keep them honest. We can't let them dictate what we do or we'll be in trouble. We have to be physical and play hard, but at the same time be alert. It is going to be a real challenge for our team to take the long ride and meet a team with the talent of Lamar County on their home field. However, if we play like we are capable of doing we are confident we can bring home the win."

When asked about Friday night's 22-0 quarterfinal win over Luverne, Coach Wood stated "It was a tremendous win for our football team and I'm proud of every single player and coach for the effort they put out getting ready. It was a challenge to play a team with the talent of Luverne twice in the same season and it took our best effort to win both games, especially the win Friday night."

"We didn't play as well on offense as we had hoped," said Wood, "but did move the football and had a big 80 yard drive late in the first half that gave us the lead and the momentum. Reggie Horstead and Anthony Brooks both had big nights and ran real hard, while Kevin Matthews made some good things happen and the line fought hard throughout the game. Over on defense we were able to keep Luverne from getting anything going and played extremely well all night. We had some big plays, once at our goal line and was at theirs, and the players just refused to let Luverne move the football. It was a tremendous effort by the defense and one that we had to have."

Elba 8th graders open basketball season with three big wins

The Elba 8th grade basketball team opened their season recently and have rolled to three straight wins to up their record to 3-0.

Following are highlights of all three wins:

ELBA 32 ENTERPRISE 29

Elba rallied in the second half behind the shooting of Keith Grantham to knock off Enterprise 32-29, in Enterprise.

The Tigers got off to a slow start and trailed 10-9 at the half, but caught fire in the second half and hit clutch free-throws down the stretch to claim the win.

Keith Grantham scored 22 points, including 20 in the second half, to lead Elba, while David Yelverton added 7 and other scorers included Cory Driggers 2 and Perry Stinson 1. Williams led Enterprise with 11.

CLASS 4A - Pike County has its sights set on another state championship and the Bulldogs are well on their way after drilling T.R. Miller 28-17. The Bulldogs had some off the field distractions in midseason, but have drawn closer as a team and are on a roll.

CLASS 3A - Lineville's Cinderella story came to an end when it got whipped by Lamar County 42-22. Lineville had won two straight overtime games in the playoffs after sneaking into the playoffs with a 2-8 record, but the clock struck midnight. Oh well, it had to have been fun while it lasted.

CLASS 2A - Okay Murray, the Georgiana Panthers are for real! Georgiana continued to be the surprise team in the 2A ranks as it shocked Sweet Water 21-13 and is now only one game away from a state title contest. The Panthers have impressed every team they've played and aren't ready to call it quits.

CLASS 1A - Excel has been a dominant team in south Alabama for a number of years, but never seemed to be able to get past the second round. Well, this year Excel blasted Coffee Springs 48-0 in the second round to bury the jinx and last week upset McKenzie 13-7 to make it to the semifinals. Another Cinderella story?

BASKETBALL SEASON APPEARS TO BE EXCITING LOCALLY

The high school basketball is now underway across the state and here in Coffee County it looks like another exciting season for all three county schools. Here's a quick preview of what to expect...

ZION CHAPEL came back down to earth Friday night with a loss to Brantley, but the Rebels are for real and could be headed for their best season in years. The Rebs start five seniors who have been with Coach Tom Walker for two years and finally seem to have the confidence that has been missing. Keep an eye on the Rebels and remember who told you!

KINSTON opened the season with two very impressive wins and may be headed for another successful season under Coach Terry Weeks. The Bulldogs have one of the state's top players in Brandy Nobles, a legitimate big man in 6'7" Robert Laramore and a lot of excitement and tradition. The combination may very well cook up a bunch of wins.

NEW BROCKTON has yet to start the season, but the Gamecocks have some talented players coming back and will once again be one of the top teams around under the guidance of Coach Bobby Kincaid. Look for the Gamecocks to start off slow and then pick up steam as tourney time draws near.

MORE POLISH PLAYOFF PICKINS...POSITIVELY

Ye old Polish Prognosticator stumbled a bit in the third round of the playoffs as he hit on 9 of 12, leaving him with a 289-65 mark for the year. The pickings get tough as the playoffs near an end; however, the guesspost was confident when he came in the office the week and here's what he left...

ELBA VS. LAMAR COUNTY

The Tigers won their Area 3 contests by a combined score of 127-6 and since the playoffs have started have drilled their opponents by a score of 92-7. That's a score of 219-13 against teams the Tigers have to play! This week the Tigers will have their hands full up in Lamar County, but they are playing too well and are too close to their goal to let it slip away now!

Tigers spank Luverne 22-0

Elba linebackers Shane Blanton (40) and Ronald McKinnon (44) combine to stop a Luverne running back for a short gain. The Tiger defense limited the high-powered Luverne offense to only 74 total yards.

Elba's Reggie Horstead (20) cuts inside the block of teammate Anthony Brooks (30) and finds room to roam in last week's win over Luverne.

Members of the Elba High Marching Tiger band continued their "Championship Season" during Friday night's playoff contest with Luverne and provided the large crowd with great sounds and plenty of Tiger spirit!

GO TIGERS !!!! SMASH VERN (ON)

KNOW WHAT I MEAN !!!!

The Elba Tigers took command early Friday night and never let up as they pounded the Luverne Tigers 22-0, in the quarterfinals of the Class 3A football playoffs.

The win, in front of a standing-room-only crowd at Elba's Miller Memorial Stadium, upped the Tigers' record to 11-2 and moved Elba into this week's semi-final round, while the loss left Luverne with an 11-2 slate, with both losses coming to Elba.

Neither team could mount a drive on their initial possession of the night, however, Luverne had the better of the field-position and after a 34 yard punt Elba began its second series backed up at its own 2-yardline.

An 11 yard pass from Kevin Matthews to Joe Brooks on third down and 4 got the Tigers out of the shadows of their own goalpost and when Reggie Horstead broke loose on a 20 yard gallop on the next play the Tigers were off and running with a first down at the Elba 39.

A 14 yard scamper by Horstead and a 14 yard scramble by Matthews gave the Tigers a first down at the Luverne 23 and it looked like Elba was headed for the endzone, but a pass into the endzone on first down failed to connect and two plays later the Tigers were facing fourth and 13 back at the 26.

Wade Hart was called upon to attempt a 43 yard field-goal; however, Hart slipped just before kicking the ball and the attempt rolled downfield toward the endzone.

While Elba's players were watching the ball roll, an alert Luverne defender scooped up the live ball at the Luverne 10-yardline and raced up the sidelines with apparently no one between himself and the Elba goal line.

Elba's Ronald McKinnon missed a tackle near midfield, but did slow down the Luverne defender, and lineman Ronnie Joe Edwards finally chased down the defender at the Elba 12-yardline to save the touchdown.

Luverne moved to a first down and goal at the one in only two plays, but on the next play tried the middle of the Elba defense and paid the price as a jarring tackle knocked the ball loose and Elba's Ronald McKinnon recovered the loose ball at the two to stop the threat!

Luverne got the ball back at the Elba 34 following a 32 yard punt and again began to move toward the Elba goal, only to once again be turned back when a 45 yard field-goal try by Tommy Franklin fell far short.

The Tigers put the ball in play at the 20-yardline with 5:46 left in the half and this time marched 80 yards in 13 running plays to get on the scoreboard.

Reggie Horstead ripped off runs of 12 and 15 yards early in the drive, while Anthony Brooks broke loose on a 19 yard run that gave the Tigers a first down at the Luverne 25.

A 7 yard run by Brooks on third down and 4 at the Luverne 19 kept the drive alive and two plays later it was Horstead who got the touchdown when he took a pickout from Matthews and fought his way into the endzone.

Elba chose to go for the two-point conversion after the Luverne penalty and the gamble paid off as Anthony Brooks bulled over a trio of tacklers to give Elba an 8-0 lead with just :31 left in the half.

The Elba defense stopped Luverne cold to open the second half and the Tiger offense picked up where it had left off as it marched 52 yards in 8 plays to up the lead to 15-0.

A 3 yard run by Anthony Brooks on fourth down and one at the Luverne 43 kept the drive alive early, while a 23 yard pass from Kevin Matthews to Keith Henderson moved the Tigers to a first and goal at the 10.

Anthony Brooks gained 9 yards on first down and then scored on the next play on a 1 yard plunge and Wade Hart added the p.a.t. to give Elba a big 15-0 advantage midway through the third quarter.

Elba's Jackie Stoudemire recovered a Luverne fumble at the Luverne 24-yardline to give the Tigers another scoring opportunity only minutes later; however, a pass interception at the 1-yardline gave the ball back to Luverne and stopped the threat.

Stoudemire, a 6'4", 215-pound senior, defensive-end, decided to do it himself after the interception and pounced on another Luverne fumble at the goal line to give the Tigers another score!

Wade Hart again hit the extra-point with 2:17 left in the third quarter Elba built its complete command with a 22-0 lead.

Elba threatened twice in the final stanza, but was slowed by penalties and fumbles and at the final horn had the win and a ticket to the semifinals with the impressive 22-0 win.

Reggie Horstead gained 97 yards on 18 carries to pace the Tiger running attack, while Anthony Brooks added 64 yards on 14 carries.

Ronald McKinnon made 12 tackles to lead the Elba defense, while Shane Blanton chipped in with 10 tackles and Tim Caldwell added 8. Jackie Stoudemire had 6 tackles and 2 assists and recovered 2 fumbles, one for a touchdown.

Home of Dr. and Mrs. Henry Cochran... This home is a beautiful traditional southern raised cottage nestled on a hillside located on Taylor Mill Road. Jan and Henry, as they liked to be called, designed and supervised the construction of their beautiful home themselves. They both readily admit that it was quite a task, but well worth it when they finally turned the key in March of 1988.

Home of Mr. and Mrs. Everett Kelley... This is a lovely "country colonial" home designed by Danz & Davis Architects from Austin, Texas. The Kelleys chose a beautiful lot on Woodland Drive in Country Club Estates for the location of their home. Everett and Irene moved into their new home within the last year.

Christmas Tour Of Homes To Be Held Sunday Dec. 10

Four lovely Elba homes will be featured in the first annual Christmas Tour of Homes sponsored by the New Season's Study Club. The beautifully decorated homes of Dr. and Mrs. Henry Cochran, Mr. and Mrs. Everett Kelley, Mr. and Mrs. Bobby Hudson, and Mrs. E.H. Hatcher, Jr. will be open from 2:00 until 5:00 p.m. Sunday, December 10. Refreshments will be served in the home of Mr. and Mrs. Everett Kelley.

ELBA HIGH SCHOOL FFA CHAPTER OFFICERS AND ADVISOR recently received national recognition for achievement in community development activities at the 62nd National FFA Convention in Kansas City, Missouri. (far left) Mr. Roland Vautour, Undersecretary for Small Community and Rural Development, U. S. Department of Agriculture, Washington, D. C., and (far right) Mr. Burleigh Leonard, Staff Vice President, R. J. Reynolds Tobacco USA greeted Ashlyn Smith, Chairman of the chapter's BOAC committee and Michael Harrelson, FFA advisor. The chapter was one of 203 Building Our American Communities (BOAC) winners recognized at the National BOAC Awards Banquet. The banquet was hosted by the National FFA Foundation, Inc., and the special project sponsor, RJR Nabisco Foundation, Inc. The BOAC program recognizes FFA chapters for their community development activities. BOAC awards are presented at the area, state and national levels for a wide variety of community development activities including preserving community history, organizing local farmer markets, building feed testing facilities and many other improvement projects. BOAC provides leadership development opportunities to member giving them a chance to work with community leaders and organizations. The BOAC program has been endorsed by the National Vocational Agriculture Teachers Association, the U. S. Department of Agriculture, Farmers Home Administration-USDA, and the U. S. Department of Education.

In Memoriam

In memory of Kaye Wise who passed away 4 years ago.

I broke our hearts to lose you, but you did not go alone for part of us went with you the day God called you home.

A million times we've needed you. A million times we've cried. If love could have saved you, you never would have died.

The things we feel the most deeply are the hardest things to say. Our Dearest Kaye we loved you in a very special way.

We feel you in our heart. We think of you in silence. We often speak your name, but all that's left to answer us is your picture in a frame. In our hearts memory is kept of one we loved and cannot forget.

Your Parents - Jack and Alene
Your Sister - Faye
Your Brothers - Larry and Roger

The Page - English Home Mr. Burton W. Page, a prominent Elba business man, built this home at the turn of the century. Mr. Page had married Belle Kimmey and to this union were born five children: Enis, who married Mark L. Hartley of New Orleans, Louisiana; Sally, who married John Mangum Buchanan of Opelika, Alabama; Wayne, who became a pharmacist and married Mary Metcalf of Hartford, Alabama; Lois, who married James J. English of Elba; and Madge, who taught in the public schools of Louisiana and Alabama until her retirement. After Mrs. Page's death in 1925, James and Lois English moved into the home with Mr. Page, and it came into their possession at his death in 1933. Mr. Page, James and Lois English, and their infant daughter, Nina, took refuge in the attic of the house for three days during the flood of 1929 before they were rescued. It is a note of interest that both Lois Page English and her daughter, Nina, were born in the same room in the house. The home is presently owned by George and Nina (English) Herring. The home has remained in this family for ninety years and three generations. (Written and submitted by the Alabama Reunion Committee)

**Dash On Over To
MOLLISON'S HONDA
And See Our New
DASH!**

The Civic EX 4-Door Sedan comes with a lot of new extras. Including a little extra zip.

A sophisticated 16-valve fuel-injected engine with 108 horsepower will help you arrive in style. Not to mention what the Civic EX's 14-inch wheels and tires, larger front brakes and 4-wheel double wishbone suspension will do for you.

You'll find the rest of the car is just as dashing. If not more so.

A roomy interior sports large, comfortable front seats. Bigger, easier-to-read gauges. A smart steering wheel designed to fit your hands better. And a rear seatback that conveniently folds down to carry oversize cargo.

The Civic EX is sleek and aerodynamic with a low hoodline that lets you see where you're headed.

Maybe you should make a dash for it?

Okay, so he's a little overweight. Let's face it, Santa can get away with a few extra pounds, but you on the other hand, can't fit into your clothes, feel tired a lot and wouldn't get into a bathing suit if they paid you. So why not do something about it now, when bathing suits are out and down parkas are in? Call Diet Center today, let's get started! WE HAVE IT!
Beats Tiredness!

Miracle Vitamin B-15

A MIRACLE vitamin can beat fatigue and cure an astonishing variety of health problems, say top medical experts.
A study at the Institute for Human Fitness in San Diego, California, reveals that B-15 dramatically stimulates the body and mind in minutes.
The key to B-15 is that it reduces stress on the heart, making the entire body perform better.
It allows more oxygen to flow through the body, so the heart doesn't have to work as hard. And it's perfectly safe.
B-15 also proves to be helpful in curing minimal brain dysfunction such as migraine headaches.
B-15 extends the life span of cells, stimulates the body, detoxifies pollutants, and regulates hormone levels. But most of all it gives you an energy boost!

CAL-LITE 1000
347-4796

Identical to Cal-Ban 3000
AT A MUCH LOWER PRICE!

Tens of millions of people have seen the weight-loss sensation Cal-Ban 3000 advertised on TV and in the supermarket tabloids. Now there's Cal-Lite 1000, with a formula identical to Cal-Ban 3000, exclusively for the natural foods marketplace... at a much lower price!

Guar Gum, the fiber source in Cal-Lite 1000 has received much positive media attention for two reasons. One, Guar Gum makes a super contribution to any calorie control plan, and two, because the soluble fiber in Guar gum can make an important contribution to a low cholesterol diet. Guar Gum contains 9-times as much soluble fiber as oat bran!

Each tablet of Cal-Lite 1000 contains 1.00 mg. of Guar Gum. Each bottle contains a simple, easy-to-follow diet plan.

Now Available at Enterprise Health Foods
